1. **MAGIC ALL AROUND SHOW.**

This is a 30 minute show that involves audience participation, sleight of hand and lots of fun. This show will keep them laughing and amazed.

2. **WALK AROUND MAGIC AND MIRACLES.**

Strolling magic and table side magic using sleight of hand.

3. **ZANY MAGIC SHOW.** (45 min) This is a larger 45 minute show with lots of participation and wacky props. At the end of the show, a real cake is made in a fun magical routine. The magic will fool adults as well as children all while giving everyone something to laugh and smile about.

4. **MAGIC THAT QUACK'S YOU UP** (45 min) features live animals (duck, rabbits and doves), wacky props, music, audience participation and lots of good clean humor. This show is a big hit and the kids will love the animals and funny magic. This show has been selected to entertain for the Chicago Bulls, libraries, festivals, park districts and Taste of Chicago.

5. **SCIENCE ALIVE.** (45 min) This is a fun interactive science party that will make your kids the star while teaching basic scientific principles. The show features liquid nitrogen, human gyroscopes, artificial snow and more. This is a home version of the show Getting Excited About Science. The kids get to keep what we make during the show.

Show Add Ons:

1. **LEVITATION.** We can make your boy or girl float in the air.
2. **SAWING IN HALF.** We can saw a boy or girl in half in a light hearted and magical way.
3. **BALLOONS.** We can make sophisticated balloon sculptures that everyone will enjoy.
4. **MAGIC TRICK GIVEAWAYS.**
5. **SOUND SYSTEM.** Professional sound system and microphones for show. This is recommended if there will be 50 people or more.

You can see Steve Belliveau most every Sunday night at LaVilla in Chicago as well as for many home games of the Chicago Bulls and Chicago Sky teams (pregame entertainment in the concourse).
